ABOUT COLLEGE

Mangalore PU College, Mangalore Institute of Management & Science and TAPROOT College is a foundation to create scientists, engineers, technocrats, commerce professionals, chartered accountants and businessmen of tomorrow. It is a young, dynamic and vibrant educational institution that has already produced several front forerunners in pre-university board as well as in competitive examinations.

The institution focuses on holistic approach, overall development which reduces stress on students and at the same time improves efficiency and efficacy in their performance. Our ultimate aim is to achieve academic excellence and also inculcate values, self discipline, confidence and courage in students.

VISION

Igniting and Moulding young minds and to provide excellent educational opportunities that are responsive to the needs of the community and help students meet economic, social and environmental challenges to support future world and to create **YOUNG GLOBAL INDIANS**.

MISSION

- ✓ Outstanding teaching and excellent student care.
- ✓ Motivate students to inculcate positivity in approach towards challenges.
- ✓ Promote Scholastic Research and analytical based approach.
- ✓ Provide conducive atmosphere for learning with comprehensive study.
- ✓ Equip students with skill set to achieve desired career growth.

OUR VALUES

- Learning
- Integrity
- Trust
- Innovate
- Excellence

DIRECTOR

Prof. Sridhar S
Director & Head - Colleges

Prof. Sridhar S, an Eminent Academician, the Director of MIPUC, MIMS & all TAPROOT Colleges across Karnataka. He is a very Passionate Mathematics teacher, with a vast experience of 25 years in teaching, counseling, motivating students and parents. He has held Seminars on CAREER GUIDANCE in many prestigious schools & colleges across Karnataka. Apart from being an Academician, he is also an able Administrator, who has played a key role in establishing and nurturing many prestigious colleges. He is one of the co-author for BASE series of PU & CET Mathematics books. He is renowned resource person for PU teachers.

SMMPU College, Bidar which is run under his dynamic leadership, valuable guidance & meticulous planning has already secured 685/720 marks in NEET 2021 with AIR 714 and 98.28 percentile in JEE

Prof. Sridhar's presence in MIPUC & all TAPROOT Colleges would definitely strengthen the Institution and helps students to reach greater heights in securing Ranks, Distinctions, Centums and overall Excellence.

OUR UNIQUE RESULT ORIENTED METHODOLOGY

ACADEMIC PLANNING

- Day wise complete one year academic planning is done in the form of micro schedule.
- The micro schedule will be given to students in the beginning of the academic year.
- The micro schedule will be monitored by Administration & Management for better academic delivery.

STUDY MATERIAL CUM WORKBOOK

To ensure complete academic discipline

- A unique study material for board exams in the form of workbook will be issued to the students.
- The workbook equivalent to the micro schedule & lesson plan which will be practiced regularly by the students in the class.
- The workbook comprises overall review, learning and home work exercises with previous year question banks & mind map.
- Workbook helps the teachers, mentors and parents in assessing the students effectively.
- Separate objective study material will be provided for competitive exams which contains
 - i) Detailed synopsis, MCQ's, discussed by the teachers in the form of CLASS WORK.
 - ii) Practice corner for home assignment with keys & hints.
 - iii) All previous year K-CET, JEE & NEET question papers with keys and hints.

ASSESSMENT

- Periodic practice test and exams are key to success of students in both board and competitive exams.
- Our periodic tests and exams will ensure better performance of students in final board exams and competitive exams.
- We have different types of tests to assess student's performance periodically.

ASSESSMENT				
Type of Test	Description	No. of subjects	Syllabus	Day of conduct
PTB Board Exams (Kannada, English, A, Mathematics)	Periodic Test for Board Exam (It will cover test to see the good percentage of preparation in final exam)	All the subjects	Contents taught in past one month	Every Week
PTE	Periodic Test for Entrance Exams (It will cover test to see the good percentage of preparation in final exam)	MCQ based PCB (Medical)	Contents taught in past 3 weeks	Every Week
GTE	Grand Test for Entrance exams (It will cover test to see the good percentage of preparation in final exam)	MCQ based PCB (Medical)	Entire syllabus of subject till the given date	After every Board PTE

- 140 - MCQ Tests & Theory Tests for Competitive Exams & Board Exams.
 - 30H - Mock Exams on entire syllabus.
 - 5 Preparatory Exams for I PUC.

RESULT ANALYSIS

- Evaluated theory exam answer scripts marks will be sent to the parents with overall result analysis.
- All MCQ's tests (PTE's / GTE's) will be conducted & evaluated with the help of OMR sheets and the results will be sent to the parents within a day with all result analysis.
